

SPEAKER PROFILE: **TIM WADE**

is a multiple-award-winning global conference speaker on Transformation, Innovation and Motivation.

Tim Wade helps audiences lead and motivate positive change to create positive business results. He's done this for hundreds of clients in 24 countries, with over 500,000 people.

Tim speaks globally and travels from Singapore.

Tim Wade connects with audiences in a way that is relevant, impactful, results-oriented, and fun. He combines:

- over 19 years of corporate operational management experience delivering change, innovating solutions to business challenges, and motivating teams, with
- a background in Psychology (University of Queensland), and
- multiple award-winning leadership in management consulting, speaking and training.

Plus his Foundation has created over 3 million impacts to people in need globally. Tim doesn't just motivate positive change, he lives it and gives it. And he'd love to explore how best to serve you.

WHAT CLIENTS SAY:

"This is the second time I've invited Tim as a guest/anchor speaker for my event... The management team is so impressed with the session that we are looking forward to have him back for next year's conference! Thank you once again for the fantastic session!"
- Agnes Lee, Marketing Manager, IELTS, IDP Education Pty Ltd, Australia.

"Mr Tim Wade is an exceptional and inspiring speaker. His talk aided all attending public servants in a very different perspective. It was very appropriate and well-tailored to our framework." - LTA Lim Zhong Yi - Singapore Civil Defence Force

Transformation

- Global financial services giant **HSBC** engaged Tim Wade to speak at their leadership and operational conferences in Brunei and Singapore.
- Regional retail giant **Courts** engaged Tim Wade for 5 consecutive years to lead their staff conferences, and to lead their corporate values transformation initiative in Malaysia, Singapore and Indonesia.
- **VISA** hired Tim Wade to facilitate a senior management retreat for their new Europe, Middle East and Africa team at an event held in Dubai

Innovation

- Innovation powerhouse **3M** hired Tim Wade to facilitate their management retreat in China.
- Telco giant **Singtel** engaged Tim Wade to lead their teams through brand transformation programs and to creatively launch their internal employee engagement initiatives.
- **Singapore Civil Defence Force** hired Tim Wade to lead several creativity workshops to generate ideas and innovative ways to tackle the country's future responsiveness to fire-fighting and other services.

Motivation

- Supercar manufacturer and distributor, **Ferrari**, hired Tim Wade for their regional event on sales and customer excellence held in Singapore.
- Insurance giants **Prudential** and **AIA** brought in Tim Wade to motivate their agents and teams to kick off the year, sprint to the end of the year, or increase momentum and action during the year.
- The **Dubai Energy and Water Authority** engaged Tim Wade to deliver a keynote to motivate positive change and increase positive action during transformation at an event in the United Arab Emirates.

WHAT OTHERS SAY:

“We utilised the outstanding skills of Tim Wade as lead facilitator for a number of seminars and workshops. Without exception our clients responded positively to Tim’s leadership and open encouraging style. With a mix of humour and extremely well-polished speaking skills, Tim is hard to beat as a speaker and facilitator.”

Simon Kriss - CEO Sagatori Consulting, Hong Kong
